

## **KnightWell** **COLUMBIA**

**Is space limited, but do you want to offer a fair coffee catering, then we can warmly offer you the KnightWell Columbia. This revolutionary compact coffee machine offers everything you are looking for. Through the modern display with scroll function you can select from a rich offer: from traditional coffee to a selection of modern warm drinks. The separated hot water outlet guarantees a crystal clear teawater. And thanks to the cupsensor it is only possible to select a drink after you have put your cup under the outlet.**
